

FOR MEMBER OF THE CITY COUNCIL

CHRISTOPHER JOHN RIZZOTTI

Age: 47

Occupation: Small Business Owner

As a lifelong Burbank resident, I am thrilled to announce my candidacy for election to the Burbank City Council. I love this community. I am proud of its strong economic environment and its family centered values.

The challenges of the future will require focused critical thinking informed by respectful questioning and analysis, not driven by self-serving rhetoric. I believe I can serve this great City with distinction by listening to and passionately working to reflect this community's vision; whether it's about neighborhood protection or helping our business community prosper.

I can assure you that no one will work more passionately to serve this great community than I. Running for office is a great journey and I am enthusiastic about connecting with as many residents of Burbank as possible. I am confident that, with your support, I can represent the best interests of the entire community.
